## **1.0 Introduction and Background**

The Return Home Development Organization (REDO) is a registered NGO. It is a voluntary non-profit making organization aiming to significantly reduce poverty in rural areas in which the people are suffering from the serious need for educational facilities and health care centers. Our focus is in seeking to address these needs through the provision of education.

### **1.1 Our vision**

REDO seeks to encourage, empower and motivate residents in rural villages and to contribute to the reduction of poverty through the provision of education.

### **1.2 Mission statement**

Our mission is to rehabilitate and to improve the livelihoods of people living in rural areas. Our goals is to encourage and empower men, women and youth living in these communities by providing education, assisting with the establishment of health care, and provision of HIV/AIDS awareness training. This means we work for holistic social development and fight against poverty, ignorance, disease and gender imbalance.

### **1.3 Objectives**

Our overall objective is to enable pastoralists and agro-pastoralist community from disadvantaged families to have better life

In the target region, our specific objectives are to

- Increase the number of professionals and trained community members
- Facilitate pastoralist community development using strategies that effectively target, support and respond towards girls' education
- Establish health and education facilities to assist the target community and more broadly, Tanzania
- Bridge the information gap that exists in pastoral communities relating to important educational and human rights policies example stop early and forced marriages, FGM,
- bring hope to remote area by sponsoring students to further their education
- encourage, empower, and motivate residents of rural villages to participate in development programmes
- Promote gender equality, health care and HIV/AIDS awareness
- Environmental conservation issue
- Construction of schools in rural areas.

### **2. 0 REDO values for excellence,**
